Outdoor Halloween Movie at Your Local State Park

The Blair Witch Project

Gambril Park Frederick, MD, August 19, 2024 – Enjoy fun family entertainment at Gambrill State Park's High Knob Overlook with The Friends of Cunningham Falls and Gambrill State Parks. The Friends will host the scary movie The Blair Witch Project rated R. The parks' outdoor Halloween movie will show on the second Saturday of October with free popcorn while supplies last. Attendees should bring water, bug repellent, chairs.

Found video footage tells the tale of three film students (Heather Donahue, Joshua Leonard, Michael C. Williams) who've traveled to a small town to collect documentary footage about the Blair Witch, a legendary local murderer. Over the course of several days, the students interview townspeople and gather clues to support the tale's veracity. But the project takes a frightening turn when the students lose their way in the woods and begin hearing horrific noises. The Friends of Cunningham Falls and Gambrill State Parks is a 501(c)3 nonprofit organization.
